

Family Therapy Night

Please join us for evenings filled with family group support, education, and inspiration surrounding the issues of addiction for both the individual and their loved ones. This group is free to the community and will allow all individuals in the family system to process experiences, share with others their struggles, and facilitate strength and hope in order to recover from this devastating impact on the family system.

****Dinner and refreshments will be provided****

Family Member Testimonials:

"The treatment center at Aldie saved our son's life, gave us our son back, and gave our son his life back."

"This is the first place that truly helped us and our son. He got well and we did too!"

"The family program has been a God send. I have received great education from the program."

"I am very impressed with the dedication of the Aldie staff to help with family healing. I am forever grateful."
